Dear Members and Friends,

As we wrap up another year at Landmark Credit Union, let me thank you, the many members that has made 2017 a great success. We received another five star rating from Bauer Financial and we were voted Best Credit Union in the Commercial News Reader Choice Awards. With the remodel complete at the Fairchild office and the holiday spirit being displayed so proudly, I cannot think of a better place to be or to work. Thank you members and friends for making Landmark what it is today!

Of course none of this would be possible without the leadership of your Board of Directors, and their 67 years of combined service and experience. We are stronger and better because of their dedication to the Credit Union Movement. They truly care about you, the members and want to thank you for using Landmark Credit Union for your financial needs. They believe in staying loyal to the communities we serve.

I would not want to finish this newsletter without mentioning the entire staff's tireless dedication to helping our members and the many volunteer hours outside of work for various activities and organizations. It is truly a great pleasure coming into work day after day knowing that the staff is smiling and willing to do whatever it takes to not only make Landmark, but the whole community we serve, a better place. With 28 employees servicing 3 locations and combined 222 years of service, we are ready to meet any challenge or need that the future may hold for your credit union. Thanks again for using Landmark Credit Union and we look forward to serving you in the future.

Sincerely,
Randy L. White
President/CEO
