

BRANCH LOBBY CLOSURES

As the Coronavirus (COVID-19) pandemic evolves, we are focused on limiting the spread of the virus, maintaining the well-being of our staff, and serving our member's financial needs. In an effort to comply with the Center for Disease Control and Prevention's recommended guidelines, **effective Friday, March 20, 2020, all locations will be open for drive-up transactions only.** Our office lobbies will be closed until further notice.

Staff will remain available by telephone during normal business hours, and necessary appointments will be accepted on an as-needed basis. We encourage members to utilize our internet, mobile, and telephone banking services. We have an ATM at each branch location and are members of the Allpoint, MoneyPass, and CUHere ATM networks. ATM locators are located at www.landmarkcreditunion.com. We will continue to keep you informed of any further operational changes via email, website, social media and our staff. We recognize this is an inconvenience. Still, we remain committed to accommodating your financial needs.
