Dear Members and Friends,

As we begin a new year, what better time to take a moment to say thank you for being a part of the Landmark Credit Union family! We are a not-for-profit financial cooperative that pools our member's resources together for the purpose of benefiting each other. Landmark Credit Union has been the financial partner of choice for our members since 1935. We continue to honor that foundation of trust by always keeping our focus on our members and the communities that we serve.

Landmark Credit Union now serves over 10,500 members; total assets have exceeded \$90 million at times during 2018, and is considered to be well-capitalized by regulatory standards. But, regardless of how much we grow or how financially strong we are, we will continue to measure our success by how well we help each member achieve their financial goals. Our commitment to you is to provide the best member service experience possible, exceptional value, and convenience, each and every day.

Again, thank you for being a part of the Landmark Credit Union family and may 2019 be a happy and prosperous year!

Sincerely,
Jerry W. Harper, Jr.
